Golf and Country Club

## DENNIS CHAPPELL MEMORIAL

Very few days go by when I don't think about Dennis Chappell. Dennis was truly a special person and one of the biggest supporters of Silo Ridge. Most of you knew Dennis and admired his passion for golf. He practice relentlessly and tried his best to buy a game. He was always searching for that extra 10 yards and had more swings than one could imagine. They all looked the same to me.

November 4th marks the 2nd Annual Dennis Chappell Memorial Golf Tournament. The first event was a huge success and was wildly entertaining. We were able to purchase 15 driving range mats with the proceeds. This year we hope to raise enough money to finish the driving range project: pouring a concrete pad and installing the mats.

The tournament is unique in the fact that it is all par 3's and has oversized holes on the front 9. It's your chance to feel like Dennis did on the greens. He was an excellent putter. Find a partner and get signed up. Cash prizes and we are serving Dennis's favorite dish: Green Tacos. We miss you Dennis...

## GOLF COURSE

Effective November 1st, we will go to Cart Paths only until spring. The fairways were 100% better this spring after following this rule last year. We hope you understand. Enjoy the walk, stay warm, and help the course at the same time!

## FROM THE PRO

*We have been thinking about next year and areas we would like to focus on and strive to make improvements. This year we made tremendous strides with the couples golf and the new host/hostess format. We will definitely use that next year and hope to involve more couples.*

*From a club standpoint we are exploring ideas to improve the social atmosphere and offerings at Silo. Sherida Miller and Nancy Rush will be heading a social committee and have some great ideas for fun activities at Silo. We will put a calendar together this fall for 2018 and hope you agree this is something very much needed here and will in turn try to support the events.*

*On the golf side, growing the game with ladies and kids will be a main focus. Watch for some fun ladies events and please encourage other ladies to get involve and give golf a shot.*

Completion of the project will include pouring a concrete pad for the mats, adding new targets, and officially naming the range in Dennis's honor: The Dennis Chappell Practice Facility. Come have fun in this unique event while honoring our good friend Dennis.
