## From the Golf Shop...

Thank you to everyone for your support on my recent trip to SunRiver, Oregon to compete in the National Club Professional Championship.

The trip was fantastic and Oregon was absolutely beautiful. If you haven't been to Oregon, believe me it's worth the trip. Awesome scenery, great golf, and plenty to do for the outdoor enthusiast.

For those that I haven't talked to, this tournament is a really neat deal. It's like a tour event. Club companies are on the range, tents, live scoring, on course leader-

boards, and much more. It's much different from the professional events we play locally or in KC. No carts, no shorts, no music...We utilize caddies during practice and tournament rounds. I won't bore any of you with the details but to make a long story short, golf is hard. I hit the ball extremely well from tee to green on 2 very demanding golf courses. My putting is usually my strong suit but I must have left my putting stroke in Missouri.

In the end, score is all that matters and that's what you

are judged on. I wish they could draw pictures on the scoreboard showing all the fairways and greens I hit. Unfortunately, the 3 putts and 4 putts led to a missed cut. I had another great experience and am already looking forward to my August qualifier in Kansas as next year's event is in California.

*I better get out and work on my putting stroke! Thanks again to all of you.*

### PGA JUNIOR LEAGUE

**The Silo Ridge PGA Junior League team has played 2 matches so far in 2017. We hosted Twin Oaks June 11th and lost 4.5 to 7.5 in the scramble-match play format.**

**Our team bounced back this past Sunday at Hickory Hills with a 7.5 to 4.5 victory.**

**Come see our team in action July 16th versus Horton Smith.**

**Thank you to Marvin Miller, Sherida Miller, and Sutton Medley for helping with scoring in the Twin Oaks match.**

### Stroke Play Championship

**Saturday, July 8th & 9th**

Men's & Senior Championships will participate both days in a 36 hole event. All other players including Ladies will participate in a one day flighted event. \$20 entry.

### MEMBER-GUEST

### SUNFLOWER SEEDS

**Please be respectful to your fellow golfer in regard to sunflower seeds. The shells should never be left on greens, tees, dashes in carts or really anywhere at Silo other than in a cup that finds the trashcan afterwards.**
