Golf and Country Club

## MARCHING INTO THE GOLF SEASON

February featured some interesting weather. Between freezing temps, ice, and snow, we still had some very nice golf days. We held the Sweetheart BestBall which was won by Nate Angus and David Lehr. The weather didn't cooperate that weekend resulting in a less than stellar field. We appreciate those that endured the harsh temps and breezing conditions.

There was some off the golf course fun happening in Mulligans again in February. We hosted our 2nd Couples Bag Toss (cornhole) Tournament of 16 teams. Everyone seemed to have a fantastic time in the double elimination format. The restaurant provided an excellent Taco Buffet for competitors. The title went to Wally and Susan Spindler as they rallied to overtake Brent and Stacie Johnson in the finals.

March is here and it's time to plan your golf tournaments, league nights, and set some goals for the year. Get involved at Silo this year. We have new leagues and will continue to provide unique events throughout the year.

We need your help with recruiting new members. Currently we have around 285 golfing members (does not include social, Greene Hills, investors, or students). To continue to provide the product you have come to expect at Silo, (and make needed improvements), 40 new members is critical. The member for a month promo is our kickstart to the recruitment process. See inside for more details on our 2018 membership drive.
