

SILO RIDGE

Golf and Country Club

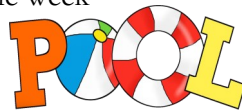

May there be Golf....Finally!

May is almost over and we don't want this great weather to end with it. Patience was rewarded as temps cruised into the 80's with plentiful sunshine. The golf course is coming into form with fantastic efforts as always from Ronnie and company. The greens were praised from area golf professionals during a recent event and they will only get better come June. May is really the beginning of the golf season as men's, ladies, B&B, and couples leagues all kicked off their respective seasons. We hosted several outside events as well as member events including the member-member and Memorial Day Golf Tourney. We welcomed new members to the club and hope to see our Silo family grow this summer. Please continue to share Silo with your friends and family.

THE POOL IS OPEN!

Just some friendly reminders on the Silo Ridge pool

- The pool is for Silo members and their guests only.
- The pool hours are 11am-7pm unless we have closings for private parties or chemical applications.
