## Champions are Crowned

The 4-Ball & Stroke Play Club Championships were held July 28th & 29th at Silo. The 4-Ball was a new addition to the event to add more excitement to the event.

The tournament also serves as our cup team qualifiers for men, seniors, and ladies. The top 8 men, 8 seniors, and 4 women (plus captains picks) represent Silo in upcoming matches with Millwood and Fremont Hills.

The championship featured 63 players, our most in recent years. Aside from a wonderful turnout, we had some fantastic golf played.

## **Junior Golf**

The annual junior golf camp was the happening place this July. 43 kids aged 13 and under participated in the hour long clinics held over 3 days. If you want to get your kid or grand-kid playing golf, talk to the golf staff about private lessons.

PGA JUNIOR LEAGUE-The junior league season is over but we have a lot to be excited about. Silo rostered 2 teams in the Springfield league, one of only 2 facilities to do so and the only one to have 2 teams plus a 16u team. Junior golf is our future and the future of Bolivar golf looks very promising.

Congratulations to Lyla Louderbaugh, Kaydence Yockey, DeLaney Daniels, and Taylor Mann for qualifying for the finals of the pitch, chip, and putt championship held in conjunction with the Price Cutter Charity Championship. Lyla won her division and was awarded a trophy Sunday evening at Highland Springs. The other girls received medals for their 2nd and 3rd place finishes. Great Job!

Good Luck to Lyla, DeLaney, and Kaydence as they compete in the sub-regionals of the drive, chip, and putt championship in Kansas City.

## **Tourneys**

Get signed up for the YMCA Pro-AM and the SBU Mark Miller Tourney. These are both awesome events and can use your participation. Call the shop for additional details.

## **Couples Golf is moving!**

Golf Leagues is all about people and without people it just isn't the same. With that being said, we are giving couples a new night in hopes to bring some much needed participation. Next Couples will be Sunday, August 19th. See flyer
