

SILO RIDGE

Golf and Country Club

THANK YOU

September was a crazy month filled with member events, leagues, corporate outings, and fundraisers. We apologized in advance for the September schedule but wanted to thank everyone for your understanding and patience with course closings. We will always do our very best to accommodate our members either before or after a golf tournament.

Thank you to many of you that played in the leagues and tourneys we hosted.

SILO PERKS & APPRECIATION

Many of our members have taken advantage of the reciprocal golf course arrangements we have. These include the Private Club Network and the Golf Circle. Please take advantage of these wonderful offerings. Some great golf can be played for cart fees only!

As our members have played area courses more, we have heard countless comments about how good our golf course really is. Be proud of Silo and thank our staff for providing such a fantastic product!
