THE PROJECTS

Repair the dam on irrigation lake as it continues to erode and will become a problem as it approaches the electrical wiring. Aside from the practical aspects, the dam is an eyesore when playing holes 2 & 3. We will also build a new gold tee for #3 (\$80,000)

Fix the parking lot. While this seems like something that should be further down on the list, it is a definite need. The parking lot is deteriorating more and more each day with regular traffic in and out. (\$40,000)

Reshape and install Better Billy Bunkers. Our crew does a great job with the bunkers we have. Unfortunately mother nature likes to challenge them throughout the year with heavy and intense downpours resulting in labor intensive repairs as well as contaminating the sand. Furthermore, rock continues to come to the surface. Better Billy Bunkers utilizes state of the art technology to alleviate rock and labor intensive repairs following downpours.(\$320,000)

WINTER GOLF

-PLEASE CONTINUE TO MAKE TEE TIMES

-WELCOME OTHER GOLFERS INTO YOUR GROUP.

-ALWAYS ALLOW FASTER PLAYERS THROUGH, ESPECIALLY WHEN IT'S COLD. NOTHING WORSE THAN WAITING AND BEING COLD!

-FIX ALL BALL MARKS. THE GREENS WILL NOT HEAL WELL THIS TIME OF YEAR MAKING IT EVEN MORE IMPORTANT TO FIX BALL MARKS. IF YOU DIDN'T HIT THE GREEN, PRETEND YOU DID AND FIX ONE AND SEVERAL OTHERS WHILE YOU ARE AT IT.

-HELP US OUT AND REMOVE TRASH FROM CARTS FOLLOWING ROUNDS AND PREFERABLY DON'T PUT CIGARETTE BUTTS OR BEER CANS IN DASHES

-ENJOY YOUR ROUND!
